# FOSTERING

PART THREE

BY J. NOVCK

I know why she asks the question. "What part do you want to hear about?" Her face wrinkles up, "Oh, I don't care about the legal stuff, obviously you got the papers. I'm jealous that I couldn't be there with you. Was it fun?"

We make love long and lazy, skin slipping on perfect skin as I retell the 'Al Story'. Her excitement is a combine-

tion of what I am doing and what I am saying. She comes twice before the tale is told. And you took his pants? My God! What will that poor man tell his family?" And we laugh ourselves into fits.

For the second time now Carol begs off from having sex. "Too many things are happening now, I just can't concentrate." she kisses my cheek in a motherly way, then

holds my hands out to the sides as she admires my dress. "You look so stylish...you've turned out just perfect...you make me proud."

But I can see the turbulence in her eyes. Balancing all the details that must be done before they leave is taking its toll. We are approaching the crossroads. In bed for the evening I dream of Val and the exciting future we will

have.

One more day left. I wake early and listen to the sounds of the house coming alive. Dave grumbling and moaning as Carol clangs dishes and appliances in the kitchen. They leave, no one saying anything about what is going on. I stand in the kitchen window and watch them go, knowing that this will be the last time. Quickly I dress and head over to Val's to take care of any last minute details.

I have to take some time with my hair, the red ringlets refusing to fall to frame my face. It finally cooperates after I throw a female tantrum. Subtle makeup for day wear, and a scalloped bra and thong panty set in sea green. The matching long slip ending at mid calf in a delightful swirl of lace. I set the lizard skin high heels next to the bed and go to the closet for the suit that Dave had gotten for me.

With the thong and bra in place, I ease the cream colored stockings up my legs. The elastic bands at the top hold onto my thighs in a tiny hug. The slip slides easily up the slick of the stockings, the waist band following the curve of my hip in to the small of my waist.

Skirt and jacket in place, I make the trip to Val's house knowing that soon we will be together and out of here. At my knock she swings back the door, "We did it...we really did it! The money was trans-

ferred about an hour ago to our bank in the Cayman Islands." She takes my arm possessively as she leads me into the living room. Her hand steals a little from the full of my breast, bringing both of us to sexual attention. "They'll never be able

corner.

to trace it there, or find out who did it...it's perfect!"

"Oh, thank you, Val...I knew you could do it." We kiss a touch of lips, knowing that we have all day to enjoy.

"Are you ready for tomorrow?" she asks.

"Well, I've got all the stuff in place...yeah, yeah, I think I'm ready."

We go through the list one more time, anticipation of the sex we will have shortly and tomorrow's adventure mingling to heighten our senses. Each touch or look sending a wave of warmth on a slow trip through my body. Her hand lingers on my thigh, I rub my cheek against her arm as we snuggle closer.

"...and that will be the last part. I think we've got it covered...You look warm, why don't you take off that lovely jacket and make yourself comfortable."

"Comfortable? Are you sure you just want me to be comfortable?" She begins to slide the jacket off my shoulders, my breasts thrusting out to her as my arms are pulled back.

Bing-bong! Bing-bong!

Nerves stretched taut, we both jump, our bodies colliding. "Who can that be?" Val questions.

"Are you expecting anyone?" I add.

"No, not at all...relax, I'll just see who it is."

I pull my jacket back into place as Val disappears around the corner. Sounds of the door and then voices, another girl's voice besides Val's.

"But I have to see you. I need to talk to you. I'll just come in and we can get this settled." a petite brunette swings around the corner, pulling up short when she sees me, "Val, I just...Oh, I'm sorry, I didn't know you had COMPANY." the last

phrase bitter, dripping with sarcasm, jealousy seeping through. Yes, she does fit Val's description of Val's seductress. Plain, very plain...but a great body under her non-descript clothes.

We circle around one another. Cats locked in too small a cage. The air about us is charged, practically humming. "Who is your friend, Val?" she asks through clenched teeth.

Val looks at me, a question in her expression, "Uh, this is... this is my friend Robyn. Robyn Price. Robbie for short."

I try to hide my pained expression at the mention of my real name. Moving close, I extend my hand, offering the civility of a handshake. "Hi!"

Val scurries about in the

background, making noises about "friends" and opening a bottle of wine for us to share. Her nervousness evidenced by the clinking of the bottle against the glasses as

she pours.

"Yeah...Hi, Robbie. Am I interrupting something here?" she ignores my outstretched hand, moving past me in a very proprietary way.

I glance back at Val to see how she plans to play this out. A look of sudden inspiration flashes only to be replaced by a mask of calm.

"No...no, you're not interrupting at all...Is she Rob..bie!" Val's slip going unnoticed by Jodi as she stares at me, taking in every bit of my clothes and makeup. Envy almost choking her.

Val nods to me, the move unseen by Jodi, "We just finished my makeup...Robyn is the one I told you about...the one helping me, changing me..."

Jodi's head snaps back to me, "Ohhh! That one...Well you certainly transformed our little Val." A pause. "No one had noticed her before, but now..." her eyes follow Val around the room, Val drinking in the attention.

"So you think we did OK?" I pass the rhetorical question to her.

"OK?...You did better than OK! Who wouldn't want to look like that!"

Val and I lock eyes. The same thought pricking our attentions. I rise from my leaning position at the couch. She monitors my progress over to her side. "Do you really want to?" I ask.

"What...what do you mean?"

"Robbie...that is, WE could make you over if you'd like."

I take her face in my hand, turning it right and left, running a finger over the high cheekbones and full lips. The move is sensual, storing

for all in the room, "Yes, no doubt...you have good features, all you need are the right accents."

Her head swivels between me and Val, her face lighting like a rising sun, "Can you do that? I mean, NOW! Uh, yeah, I'd like that very much."

**EVEN WITH  
ALL THE  
EXPERIENCE  
I'VE HAD  
OVER THE  
LAST FEW  
MONTHS I  
CAN FEEL A  
NERVOUS  
TWINGE OF  
SELF  
CONSCIOUS.**

The social tension in the room dissipates. Her excitement changing her jealousy into a kind of comradery for now.

We circle her. The opposite rotation keeping her head moving constantly. "Where should we start?" Val quips.

"The hair. We need to color and set it so it dries while we're doing the other things." I hold a lank end of it in one hand, the mousey brown of it appearing dull and lifeless.

"I'll run down to the Drug store for the coloring. You two get to know one another." the twinkle in her eye tipping me as to her long range intentions.

Jodi walks with me to the bedroom. She lags a little behind so as to watch me, to access me as a woman. Even with all the experience I've had over the last few months I can feel a nervous twinge of self consciousness. But deep down I know I will pass. I take pride in my femininity. I add a sway to my walk as I pass through the door.

As we stand at the lingerie drawers a sultry smile is presented to me. "So...have you known Val long...You know, are you close friends?"

The play begins between us, interest obvious in her eyes. She stands a little closer than necessary, hands brushing mine as we search for something for her to wear. I hold a bustier up to her front as I answer, "Oh, we're very close..." my hands mold the bustier to her form, the tips of my thumbs pivoting over the mounds of her breasts, "I think this will fit you very nicely."

She smiles a wicked little smile, "I'll bet you are..."

## From the Historical Collection

**Karyl Norman**  
**1896 - 1947**

A female impersonator who headlined the vaudeville bill where ever he played was a talented performer named Karyl Norman, real name George Paduzzi.

He was famous for both his singing voice and his fabulous costumes. He was billed as "The Creole Fashion Plate."

Whenever he performed he set house records for attendance and circuit records for paid admissions.

He wrote the lyrics for many of his songs and changed his act every two weeks (another record not matched by his competitors.)

He also appeared in Broadway shows and did a tour in Australia. He ended his career performing in nightclubs.

of RALPH JUDD

**Julian Eltinge**  
1883-1941

Julian Eltinge was born William Dalton and was known to fellow actors as "Bill." With an exceptional singing voice and a gift for comedy he spent five years in amateur shows as a crossdressing performer before his first gig on Broadway.

The show flopped. He then went into Vaudeville. Variety reported: "Eltinge's act is extremely high class. He is artistic in everything he does."

Returning to Broadway in 1910 with the starring role in "The Fascinating Widow," he clicked with the public and with the critics. About his next hit, "The Crinoline Girl," the New York Times opined: "Mr. Eltinge's peculiar talents and his ability to wear women's clothes without being offensive in his female impersonations get every opportunity to show to great advantage."

More Broadway shows followed, then six movies, one of which had a bit player named Rudolph Valentino.

Eltinge then went back to Vaudeville where rival booking agents sent big names against him in the same town. People like Eva Tanguay and John Charles Thomas were scheduled to go head-to-head with Eltinge in competing theatres. Eltinge invited them on their arrivals to be the guest-of-honor at a champagne party. Then he would get them so drunk that they had to cancel or delay their opening.

Eltinge became known as the "World's Foremost Female Impersonator" and a New York Theater was named in his honor.

Dear Kim,

My husband just brought back a copy of FEMALE MIMICS INTERNATIONAL and we both enjoyed the contents, in particular the photographs of your wonderful girls. We can't wait to try some of the make-up tips and

put my husband in some of my clothing. This is all a new and exciting area for both of us and we want to try out some of the costume ideas that we picked up from your pages. I have already ordered a wonderful black leather cat suit and 5 inch high heels for

him for his birthday.

As soon as I get him into that catsuit and high heels I promise I will take his picture and send it to you.

Thank you for giving us the opportunity to bring so much joy and sexuality back into our relationship.

Dear Kim,

I have now just started into this. Have dabbled into this lifestyle by way of playing around and getting caught by my wife. I thought she'd be mad at me wearing her nylon stockings and panty - oh no! Far from it! It did excite her to a higher plato, such as your video, "The TV Training Center"...exactly.

Well, one night while our children were a sleep, the wife made me shave my legs and all but a line center above as she put it...my little clit! Well in the bedroom laid my garter belt, black stockings, a baby doll p j, heels and panty. When dressed to go down and made to service her with wine, cheese and crackers. But I had to make her put on my make-up. I had to fully act the wife role. When I caught myself in the mirror, I was shocked! She had my make-up just perfect and me in heels and stockings, a perfect wife! Well she was the husband, fully!

Ms. Christy, well you mentioned, if any info or questions should arise, feel free to ask...Ms. Christy, yes, help I am in a quarry!?

Well, yes Ms Christy, is there a true TV Training Center to where it will transform and turn me into a ravishing woman, even if it is part time on nights out. Yes a place where an understanding dominate mistress who will be able to teach me all about being a sexy woman in

bed and out of bed for my wife also, so that our mistress will have two French maids in service. So that even as my wife is in a maid uniform, I could be her slutty piggy whore. My wife is to watch as a nice black gentleman caller is serviced by her husband dressed slutty. Even to have my wife tied in chair, a penis gag tied securely to her mouth, with nipple clamps. She is sitting on a dildo, and a good looking black male, very muscular, is sitting on the bed wearing only briefs across from my wife. I'll leave the rest to your imagination!

Dear Kim,

As I sit here all prettied up, relaxing and recovering from a stressful day at the office, a thought crossed my naughty little feminine mind. How nice it would be to indulge in a full fledged make-over and pampering at a salon or studio! The only problem is that I don't know of any place in the area that performs such a service for people that like to cross-dress. The closest place that has even indicated they provide this kind of service is over 3 hours away. Not very convenient is it.

It would also be nice to learn of places in major metropolitan areas that provide this service. It would be useful for both the business traveler and vacationer who might like to partake and relax in one's special way.

Maybe your magazine could provide a list or even feature some of these places in a story or article. I believe that this would be a very great service to all of us.

Keep up the good work with both your magazines. They're super. I enjoy them immensely and learn a lot from the letters and stories. Sharing an experience not only makes the giver but the receiver richer and wiser.

Your TV sister,  
Carol Ann

Dear Carol-Ann,

We request information all of the time about places to go, clubs, make-over services, etc...but we get very little response from anyone. Even in your letter you suggest you know of a place, three hours from you, but if you had given us the information about where it is we could have listed it for others.

We readily accept this information to share with our readers. Please understand that we must verify all of this information before publishing it, so if you send any in please be sure to give as much information as possible, such as, address, city, state, zip, and telephone number.

Send all information to  
Leoram Inc.,  
Ms Kim Christy,  
PO Box 1622, Studio City,

Thanks for any and all....

We lay out clothes. She pays as much attention to me as she does to the outfits. "I don't wear this kind of stuff..."

"Why not?"

"No money for one thing...it takes too much to keep coordinating outfits. Besides, it draws attention to yo..u." Jodi's head snaps up, concern at having said too much darkening her features. "I mean people won't leave you alone." She waits for my reaction.

I cover for her mistake, "Sure...we all need our space, even if we dare to stand out in a crowd." I run my hand down from waist to thigh, the move drawing her eye, bringing a flush to her cheeks.

"Hi, guys...I've got it. The perfect color, Raven black!"

We gather around to look at the picture on the box. A sultry beauty with long, wavy hair smiles from the face on the carton.

"Wow, that's pretty dark."

"You want to look different, don't you?"

Jodi looks from one to the other of us, regarding the sexy visages, "Yeah...yeah, I want to be different...like you do!"

"OK, "Val coos in a breathy voice, "strip down...We don't want to get this hair stuff on your

clothes."

The nondescript clothes make a pile on a high back chair. Jodi smiles in a conspiratorial way at us. "Maybe you'd best take

yours off too, Robbie? Val?"

"Of course you're right!" my reply as Val and I glance to see who will go first. Val sweeps to the center of the room, her jacket sliding from her arms, caught by one hand and swung to land on the couch. Jodi moves comfortably in her bra and panties to sit in the chair we set out for her. Our eyes are glued to

Val's form as she opts for a casual sensuality in her undressing.

The scrape of her zipper announces that her slacks will go next. She shifts from side to side on her high heels, her center sending a message of love...of lust. The pants slide the long slide of her curvy legs. She lifts one foot a little, offering it to Jodi. Jodi's hands reach out to tug the bottom edge, her hands caressing the ankle and foot, worshipping in adoration.

The second pant leg comes free. The tops of Val's black silk stockings play hide and seek with the hanging tails of her blouse. We watch in fascination as her long fingers move from button to button, the blouse staying miraculously closed somehow. As the blouse slides from her shoulders to the floor, she nods in my direction, "Your turn now, Robbie." She stands revealed in a black satin, stretch bustier. There are no shoulder straps to mar

the perfection of her milky white shoulders, the cups of the bustier offering up the soft mounds of her breasts to us. Blond hair drapes from over her shoulder, hooking at their tips. She is breathtaking.

She takes her time in walking to the side. The flowing lines of her body writhing snakelike in her movements.

The dark of her lingerie is interspaced by creamy flesh at the tops of her stockings and bustier. She leans against the kitchen pass-thru counter, bumping a hip for us. "Well?" she prods me.

My heart is pounding, my pulse racing in excitement and anticipation. After she exhibition I'm sure I'll look bad. But then there's Jodi...she doesn't know my secret! I must be careful in my excitement.

Trying to appear calm and serene I remove my jacket and hand it to Val. She brings it to her nose, residual perfume from it heightening her mood. Facing away from them, I reach back and bring the skirt zipper down very slowly. Wiggling much like Val did, I send it to the floor where it crashes in silent echo. I step out, the long flow of my slip brushing on my stockinged legs. Its coolness an exotic sensation that adds to the hardness contained between my legs.

The blouse slips off easily as Val moves forward to face me. "Let me help you with your slip..." her fingers finding the small pearl buttons that hold the front closed. Each pop reveals a little more of the mounds of female flesh, the scalloped edges of the bra finally coming to the rescue. Her hands linger as we look deep into one another's eyes, "Pretty..." But me or the lingerie? Does it matter?

As the shoulder straps of

the slip plunge over the crests of my body Val moves behind to help. She nods a conspiratorial smile to Jodi, the message that "Here could be another conquest." The unveiling continues, Jodi's small gasp attesting to the perfection of my form. Even today with no cincher or bustier my waist is tiny. The attention paid by Carol to my waist control now seeming worth it.

I am now clad similarly to Val, bra, panty thong, stockings and heels. We move Jodi's chair to the kitchen where we can work on her. She is draped in clear plastic, her body appearing to be living flesh trapped in ice. She watches our partially clad bodies with more than just casual attention.

The box of hair color holds squeeze bottles, an instruction sheet, and a pair of plastic gloves. I slip them on, feeling the Mad Scientist.

"What are those for?"

"So my hands don't get stained along with your hair."

"Stuff's pretty bad, huh?...maybe you should slip your bra off as well. Be a shame to mess it up, after all, it's just us girls..." her voice trails off in a hope.

"Ohh, you're right. Would you help?" I bend low, offering my chest to her hands. A pink glow of excitement tinges her front, coloring her neck as well. She clears her hands from beneath the plas-

tic drape. They flutter like doves to land and perch on my breasts. Expert fingers pick the front clasp releasing. As she peels the bra away her hands steal extra, the caress bringing my nipples to full. "Uhhm, your hands are so soft. You must take good care of them."

"She does!" from Val. "Jodi gives manicures and pedicures part time at the parlor on 4th street."

She holds my bra out to me. I take her hands in mine and for the first time notice that the long tapered fingers hold equally long, perfectly cared for nails. The French finish is topped with many coats of clear lacquer, "Uhm, pretty!"

The hair color goes on easily. We wait the prescribed time busy with other aspects of her makeup. The final rinse shows a deep, dark, rich color. We set it, Val and I fluttering around our captive, bodies bumping and brushing. Some casual, some not. My breasts hang close enough to Jodi's face at times that she can feel my body heat from them, smell the exotic perfume I've applied in the valley between
